

G95 95mm Globe Edison Vintage Bulb

Product Description

Nowadays, G95 95mm Globe Edison Vintage Bulbs have becoming more and more hot. It offers aesthetics that will update your existing bulbs while maintaining a classic feel. Compared with ordinary light bulbs, with long spiral filaments that gives off a warm white glow, G95 95mm Globe Edison Vintage Bulbs works perfectly for creating a very pleasant atmosphere in rooms and really add a special vintage and rustic feel to any property and make a room feel warmer and more welcoming. What's more, they're often used bare (with no shade or cover) in order to show off the style and look of the bulbs. They look equally as good in a light fitting or simply hung from a suspension. So, if you're looking to add a beautiful, old fashioned and charming look to your location, consider G95 95mm Globe Edison Vintage Bulbs.

Benefits of Edison Vintage Bulbs:

1. It is designed with a special style. Rustic and modern come together to bring the beauty of light by these Edison bulbs.
2. They are featured in an attractive filament and provide a distinctive look and warm glow, which really add a special vintage and rustic feel to any property and make a room feel warmer and more welcoming.
3. They're often used bare (with no shade or cover) in order to show off the style and look of the bulbs, so you can save a lot of money and energy from choosing other things to match its

Zhejiang Seming Electronic Co., Ltd

decorating style.

4. It is fit for building the atmosphere of somewhere just as bar, bistro, and so on.

5. Multiple designs available to choose from based on other items in the room and your preferences.
