Specifications	diameter 3.2CM,length 1 m 2	Material	hemp

Description:

A stylish medium teardrop led filament bulb adding an elegant secondary lighting effect. Zula Edison Rope Hanging Lamp is an alternative to the popular retro and vintage filament bulbs. The glass color is also amber to reflect that of a traditional vintage Edison. The teardrop shape is a retro design. Zula Edison Rope Hanging Lamp can be used for both home decor and commercial projects alike. These are decorative bulbs and can only be used for secondary lighting effects. They create a soft, warm glow that lights up small spaces.

Zula Edison Rope Hanging Lamp Features:
